

Col. W. T. Donovan Gains Strength Here For Governorship

Veterans of AM Wars Meet to Support "Wild Bill" Donovan and Land Him as Most Fitting Candidate for Governor.

If the enthusiasm, admiration and affection displayed for him at the non-partisan gathering of veterans of all wars, held at the Governor Clinton Thursday evening, is a correct barometer of the feelings of the voters as a whole there can be but little question that the next Governor of New York state will be Colonel William T. Donovan—"Wild Bill" Donovan of other days—the fighting Colonel of the 165th Infantry in the World War.

The ex-soldiers, the meeting including veterans of the world war and the Spanish-American war and representing simply ex-service men without respect to organization or party affiliation, were unanimous in their expression of admiration and their intention to support to the limit the man who has so completely won their confidence and regard. Colonel Donovan was referred to as "a man of destiny," as another Napoleon and as the outstanding leader among the American people since the death of Theodore Roosevelt.

The meeting was attended by veterans from all parts of Ulster county, without respect to party and was held for the purpose of forming an Ulster county branch of the "Win-with-Donovan" committee, a state-wide independent veterans committee which has but one purpose, the election of Colonel Donovan as governor of New York State.

Had Turkey Dinner

The first business of the evening was the surrounding of a very excellent turkey dinner, a task that was taken up with a will and carried out with the enthusiasm that characterized all the events of the evening.

Following the dinner Conrad J. Heiselman, president of the Kingston common council and for years prominent in veterans activities in the county, called the meeting to order as chairman of the Ulster county "Win-with-Donovan" committee. He introduced as the first speaker of the evening "a distinguished citizen of Kingston, a veteran of the 27th Division, who had been cited for performing surgical operations under shell fire," Dr. Frederick Snyder.

Dr. Snyder spoke briefly, commending the efforts of a strong endorsement of Colonel Donovan. He said "I am an old Bill Donovan man. I hope, every veteran in the state backs Donovan and votes for him. I know he is straight and think he will make an excellent governor."

The chairman then told of the organization of the independent veterans committee by a well known World War veteran who was so impressed with Colonel Donovan after meeting him that he at once voluntarily began the organization of the committee. Mr. Heiselman said that the organization had but one objective, "To put Bill Donovan across as governor." As to any other candidate he had nothing to say.

The speaker stated that through the generosity of the management of the hotel, the committee had opened headquarters in the Governor Clinton Hotel. Quarters had also been secured at 33 Broadway, opposite Adel street, for downtown headquarters. John Osterhout will have charge of the headquarters in the Governor Clinton and an ex-service man will be placed in charge of the downtown headquarters.

Will be Here October 29. Mr. Heiselman gave notice that Colonel Donovan would visit Kingston on Saturday, October 29, speaking at the Broadway Theatre in the evening. He will be met at Highland at 7 o'clock and escorted to the city, and preceding the meeting at the theatre there will be a parade in which veterans particularly from all over the county are asked to participate. The chairman then introduced the guest speaker of the evening, District Attorney Edwards of Nassau county, "the fighting attorney of Nassau county."

Mr. Edwards told of the great impression made upon him by Colonel Donovan when he first met him upon the occasion of the colonel's return from France. On that occasion he was struck by his carriage, the way he put his foot down, the manner in which he carried himself. He had sought an introduction and ever since had been one of his strongest admirers. He had found him to be a man who could stand on his feet and state his position fearlessly, regardless of consequences. He was not one of those who waited to find out what would be the consequences before taking a position, once he had been satisfied that that position was right. An indication of his character was found in his record during the war—he never sent his men where he wouldn't go himself.

Had Great Courage. Several incidents were related of Colonel Donovan's fearlessness and bravery while in service overseas and his apparently miraculous escape from death on several occasions. In all these things the speaker saw evidence that the colonel was "a man of destiny," a man who utterly forgets himself to carry his objective. He quoted the reference made by Father Duffy, the famous chaplain of the 59th regiment, who said in his book "The World War," "The finest thing I got in the war was the friendship of Colonel Donovan."

Mr. Edwards said that the

Pheasant Season Opens October 25, Sunday Is Excluded

B. M. Castle of 43 St. James street, a local representative of the Conservation Department, Albany, has asked that the following hunting law pertaining to pheasants, be published for the notice of sportsmen in this vicinity.

Wild pheasants may be taken on the last six week days in October—October 25, 26, 27, 28, 29 and 31. As will be noted this excludes Sunday, October 30 when the birds may not be hunted.

Only the male pheasant may be taken and no person shall take more than two pheasants in one day and not more than six in the open season. Came other than pheasants may be taken on Sunday during the open season for that game.

Local Defendants Plead Not Guilty

New York, Oct. 20 (Special).—A plea of not guilty to charges of liquor law violations against him was entered in Federal Court here this week by Arthur J. Organtini of Kingston, when arraigned for pleading before Judge Francis Caffey. His bail was continued pending trial.

Mr. Organtini was arrested at the Organtini cigar store, 550 Broadway, Kingston, of which he is the proprietor. The charges are sale and possession of liquor. Padlock proceedings are also pending to close the store.

Plea of not guilty to similar charges of violating the Prohibition laws were entered by Fred Schuman, the operator of Schuman's Hotel at Edenville, a barroom and dance hall, according to the complaint, and by Eugene Speiler, owner and operator of Gene's Place, Round Top, Green county. Agents raided both places at the beginning of the month.

Equity actions to close both places for one year are separately pending.

Central Hudson's Valuation Up \$69,700

Kingston's tax rate has been further reduced this year as a result of the recent action of the Public Service Commission in increasing the special franchise valuation of the Central Hudson Gas and Electric Corporation, by \$69,700. This increase raises the Corporation's special franchise assessment from \$745,890 to \$815,590. This amount is in addition to the \$289,500 valuation placed on the real property value of the corporation by the city assessor.

A special franchise valuation as determined by Public Service Commission includes two elements—first, the present value of the property located in streets, highways and public places, and second, the value of the right to place such property in streets, highways and public places. The combined valuation, however, is all considered as real estate and is made so by the tax law.

The special franchise valuation is placed upon the local tax roll in the same manner as other real estate, and taxes are assessed against it in the same manner as against other real property.

Two Injured When Automobile Upset

Tracy Gorsline of 19 Ardsley street, this city, and Belle Risenburg of Madalin, were badly injured Thursday night when the auto they were riding in upset at Saugerties. Both were brought to the Kingston Hospital where it was found that the woman was cut about the head, sustaining a possible skull fracture and other injuries, while Gorsline was cut about the head and sustained a possible fracture of the skull and a possible fracture of the right leg.

Require 5 Hours of Physical Education

Albany N. Y., Oct. 21 (AP).—A minimum of five hours of directed physical education each week will be required of students in secondary schools under a new program announced today by the State Board of Regents.

At present two hours of physical exercise is required.

INCREASED COLLECTIONS FAIL TO HALT DEFICIT.

Washington, Oct. 21 (AP).—September's increased tax collections failed to halt a treasury deficit that today had pushed beyond the half billion dollar mark to trail last year's corresponding deficiency by only \$10,000,000.

From the beginning of the fiscal year on July 1, through October 17, last night's treasury statement showed the government had \$1,064,497,484, or more than twice its revenues of \$516,140,266.

Merritt's Store Painted

Harry B. Merritt has had the side of his store building facing the North Front street drive painted a cream color, greatly improving the appearance of things in that section.

Philip A. Goodwin Addresses Local Republican Club

Republican Candidate for Representative in Congress Delivers Enthusiastic Address—Speech of Chairman Sanders Read.

Another capacity crowd visited the Servicer, Broadway and Pine Grove avenue, Thursday night for the regular weekly meeting of the Republican Club, and heard several speakers, including Philip A. Goodwin, candidate for representative in congress, deliver enlightening talks on the issues of the November election.

Mr. Goodwin, touching on the depression, as far as the United States is concerned, said it is the result largely of war debts left over by an administration "not our own" and explained President Hoover's efforts to stabilize matters through the reconstruction program.

The speaker also spoke of John M. Garner's proposed plan to issue "flat money" which would have depreciated every savings bank account and affected financial security in the country to a disastrous end, he said. He praised President Hoover's good judgment in vetoing bills of Democratic origin that would have amounted to approximately five billion dollars expense to the country.

Mr. Goodwin in conclusion, said: "I pledge my every effort and what ability I possess to obtain for the taxpayers of this district a reduction in taxes, if elected."

That Mr. Goodwin is capable of handling affairs at Washington is revealed in his record showing successful interest in various matters. Upon graduating from high school and finishing a business course he entered the employ of the American Bridge Company, a universally known concern. Hard work brought him the position of manager of a plant in which progressed so admirably that he was given a greater opportunity for displaying his ability by becoming a contracting agent for the United Construction Company.

At this point in Mr. Goodwin's life, he lost his father, John H. Goodwin, by death. He took over his father's lumber business at Coxsack. In addition to running this enterprise successfully Mr. Goodwin became a director of the National Bank of Coxsack, then vice president and finally president. He organized and was first president of the Goodwin-Griswold Lumber Company of Albany, was president of the Chamber of Commerce three years, a trustee of the Hermance Library and holds offices in several civic and fraternal organizations.

Altogether, Mr. Goodwin is a real thorough business man with plenty of foresight and ability to see that the residents of the 27th Congressional District are properly represented in Washington.

Other speakers at the meeting were Charles de la Vergne, assistant city judge; Alfred Schmidt, president of the welfare board and C. Ray Everett, former alderman at large. Upon motion of Mr. Everett it was voted to extend the well wishes for a speedy recovery to Philip Elting, Ulster county Republican leader, who is ill.

Chairman Sanders' Speech

A speech recently made by Chairman Everett Sanders of the Republican National Committee was read for the audience. It was as follows: "For weeks now Democratic orators, headed by the Democratic nominee himself, have been telling the voters that the world depression is the result of maladministration in Washington."

"Some have held President Hoover personally responsible while others have claimed that the Republican party and its governmental principles have been to blame for this economic cyclone of worldwide scope. The President also has been held to blame for not taking earlier steps to meet the disaster. The last man to utter this calumny in Chicago was Governor Ritchie."

"What are the facts?" "Mr. John Raskob, former chairman of the Democratic national committee, said in his radio address of October 27, 1920:

"In closing let me say that no country in the world, not even our own, was ever in as splendid a position to go forward and enjoy a period of prosperity as our country is today. Everything has been thor-

Democrats Promise Judge Bliss Considers Disputed Ballot Was Not Void in Election

The Party of Promises is again this year using the New York city water works projects as a means of coming in contact with local voters. Certain members of the Democratic party are again circulating cards, as they did last year, which are alleged to be applications for jobs when and if the city of New York decides to develop the Rondout watershed.

The voter is approached and after the charms of the Democratic party have been explained, he is asked to fill out a card which is an alleged application for a job with the city. Once signed up the voter hopes for a job when and if the city decides to dam up the Rondout and construct a new reservoir on the Rondout.

This scheme was used very extensively in some towns last year and this year is being worked in the towns of Rochester and Denning. Those who "signed up" last year are still waiting patiently for the city's job.

Four Cases Before Judge Culloton

Four cases were brought to the attention of Judge Culloton in police court this morning. Amasa J. Slauson of 46 Cedar street, arrested for parking his car in the fire zone on Fair street, opposite the fire house, was fined \$5. David A. Gor-ton of 55 Brewster street, arrested for passing the red traffic light at North Front and Wall streets, was fined \$2.

Henry Foster, who gave his address as Boston, was arrested for panhandling on Broadway. He was sentenced to 30 days in jail.

Samuel Scott, a negro of 10 Sycamore street, arrested for public intoxication on the Strand, was fined \$5 or five days in jail.

LOCAL FEDERAL AGENTS

ARREST JOHN QUALTERE

John Qualtere was arrested at 9 Abel street, Kingston, Thursday by Kingston federal men, who seized alleged whiskey and home brew. Qualtere was arraigned before Commissioner Connelly, who held him under \$1,000 bail for appearance in district court on a charge of possession and sale.

At Pleasant Valley Alexander Luk was arrested and alleged whiskey seized. The officers also seized a Chevrolet sedan. Luk was held for arraignment before Commissioner Platt. At 71 Cottage street, Poughkeepsie, Morgan Mackey was arrested and alleged whiskey and beer seized. He was also held for arraignment before Commissioner Platt.

PROMISES STABILIZATION OF COAL INDUSTRY

Springfield, Ill., Oct. 21 (AP).—Charges of Republican "intimidation" promises of aid for the coal mining industry and farmer, new pledges to seek added revenue by legalizing beer—these were campaign weapons of Governor Franklin D. Roosevelt today as he pushed on toward the west and south.

Speeding out of Indiana which he hailed as "not even in the doubtful class," the Democratic presidential nominee expressed a determination "if elected to undertake stabilization" of the coal industry by "common sense" methods.

Our Growing Population.

The following births have been reported to the Board of Health: Mr. and Mrs. Joseph Brown of 102 Bryn avenue, a son, Robert Samuel. Mr. and Mrs. William K. Kukuk of 84½ Downs street, a daughter, Helen Merideth, at Kingston Hospital.

Mr. and Mrs. Frank Benjamin of Lanesville, a son, Frank Ralph, at Kingston Hospital.

Mr. and Mrs. George Prosser of Taneyver, a son, Charles Franklin, at Benedictine Hospital.

Awaits Hearing

Irving Krom, 49, of Gloversville, was committed to the Ulster county jail Thursday, to await a hearing on a charge of abandonment.

Take Steps To Condemn Land For The Boulevard

Common Council to be Asked to Approve Public Works Board Taking Action to Acquire by Condemnation Lands Needed for Proposed Work Relief Project in Improving the Boulevard

The local emergency work relief committee met Thursday afternoon at the city hall and decided to take up the work of improving the Boulevard from Wall street to the city line, provided the Board of Public Works would take the necessary steps to acquire by condemnation the land needed to widen and straighten the road. Following the work relief meeting the Board of Public Works met in special session and adopted a resolution addressed to the common council asking the aldermen to allow the Public Works Board to proceed to acquire the land needed by condemnation proceedings.

As the common council does not meet in regular session until next month it is expected that it will be called in special session this month to take action on the Boulevard improvement. As soon as the aldermen grant permission the Board of Public Works will apply to supreme court or county court asking that a condemnation commission be appointed.

Three Properties Affected.

There are three properties affected by the proceedings. The largest is that of Louis A. Bowers on the Boulevard. Another property affected is that of Morris Gruber, and the third is owned by the county of Ulster.

From what was brought out at the meeting of the work relief and the Board of Public Works the city boards have offered Mr. Bowers \$2,500 for about half an acre of his land that will be taken for the widening of the road and agreed to move back what buildings stand on the land to be taken and leave them in as good if not better condition than they were found.

Mr. Bowers has rejected, it is said, this offer of \$2,500, and is asking \$4,800 for the half acre to be taken. Mr. Bowers' entire property is assessed at \$2,300, according to members of the city boards.

Great Park Concerns

The Public Works Board granted the application of Thomas J. Lons to again have the refreshment concession in Hasbrouck Park next summer and that of Harry E. Struble to have the concession in Cornell Park.

Shufeldt Street Sewer

In regard to the sewer situation on Shufeldt street a committee of the board reported it had investigated conditions on that street and recommended that the two catch basins on Clifton avenue, near Shufeldt street, which were hooked up to the Shufeldt street sewer, be discontinued. The estimated cost of the work was \$523.39. The report was adopted.

Trouble Over a Tree.

Attorney Harry H. Flemming of the New York Central railroad wrote the board that the railroad had just completed the installation of a flashing light signal on the Downs street crossing but that a view of the signal was obstructed to traffic by the branches of a tree in front of the property of William D. Brinnier. The railroad had taken the matter up with Mr. Brinnier without success, and now asked the board to take action toward having the limbs of the tree trimmed so that traffic would have an unobstructed view of the signal. Further correspondence was read in which Mr. Brinnier had been asked to have or allow the tree to be trimmed and a brief communication from Mr. Brinnier stating that he would not allow the tree to be touched.

The board referred all of the correspondence to Corporation Counsel Chris J. Flanagan.

Soon all the leaves will be off the trees on Downs street and it will be safe to approach the railroad crossing.

Tablet on Pool

Mrs. Charles F. Cantine wrote a communication to the board enclosing a check for \$50 to be used in defraying the expenses in making the pool in Academy Park sanitary so that children could wade in it during the warm months. The pool had been erected by Mrs. Cantine as a memorial to her husband, the late County Judge Cantine, and a bronze tablet stating that fact will be placed on the pool.

Routine Matters

The board also discussed several routine matters and audited bills before adjourning. Mayor Carey presided with Commissioners E. Frank Flanagan and Ralph Gregory in attendance.

C. F. Reil Arrested

Charles F. Reil, 26, of Saugerties, was arrested Thursday and committed to the Ulster county jail to await a hearing before a New York city judge on a charge of failure to provide for his family.

Treasury Receipts.

Washington, Oct. 21 (AP).—Treasury receipts for October 13 were \$86,083,257.85; expenditures, \$97,485,266.94; balance, \$329,963,415.90. Customs duties for 12 days of October were \$15,331,997.52.

Hoover May Discuss Bonus Question

Washington, Oct. 21 (AP).—Last hour writing to complete his Detroit address occupied President Hoover today, as he prepared to leave the capital tonight on his third westward campaign trip.

White House aides said the President was anxious to finish this speech in order to leave a crowded Saturday, with thirteen stops of his special train scheduled in West Virginia and Ohio, as free as possible. They indicated also that the President may choose this address in Detroit tomorrow night to talk about the soldiers' bonus, a subject just discussed in Pittsburgh by his Democratic opponent.

But no definite statement on details of the speech was forthcoming. Last night Mr. Hoover worked late in the Lincoln study of the White House, assisted by Walter E. Hope, a New York banker and former assistant secretary of the treasury, and French Strother, of the Presidential secretariat staff. He also assisted the President with his Cleveland speech when he discussed the wage earner and employment.

What's Happening In Political Circles

By The Associated Press

Republicans:

Washington—Secretary Mills says Gov. Roosevelt's Pittsburgh speech on fiscal problems contained "Extraordinary Inaccuracies and Distortions."

Washington—Republican National Committee declares Democrats have sought to "Frighten the People."

Chicago—Everett Sanders, Chairman of Republican National Committee, says Gov. Roosevelt evaded issue on bonus question.

Democrats:

Terre Haute, Ind.—Gov. Roosevelt says he expects Government will have to exert stabilizing influence in coal industry.

Washington—Speaker Garner says President Hoover failed to keep promises made in 1928.

Cleveland—Gov. Ritchie says President Hoover "is confounded by his own statements and his own record."

Boy on Bicycle Badly Injured

Charles E. Sleight of 189 O'Neill street, reported to the police department that about 1 o'clock Thursday afternoon he was driving his car down Broadway when at Orchard street Mark Silverman, 9, of 59 Orchard street, came out of that street on his bicycle and ran into the side of the automobile. The boy was picked up and taken to the Kingston Hospital suffering from a possible fracture of the left thigh.

Public Hearings On Bus Petitions

The bus committee of the Common Council will hold public hearings Wednesday evening, October 26, at the city hall on three bus applications. The Greyhound Bus Line and the Adirondack Line are petitioning for permission to use the streets of the city to extend bus service from Kingston to Walden, while James Acker is seeking to extend his bus line from Kingston to the hamlet of Daisy.

WARN BOYS AGAINST MARKING ON WINDOWS

A number of uptown merchants are complaining of the activities of boys who have been marking up their store windows, defacing them, causing the owners a lot of work and to make matters worse including in the "decorations" decidedly improper words. The merchants say that they do not wish to take harsh measures, but that the annoyance must stop and unless it does some of the offenders may find themselves in the hands of the police.

Action To Determine Legality Of Election Of R. F. Charlton

Further testimony Thursday morning in the case to determine the validity of the election of R. F. Charlton as supervisor of the town of Kingston on November 4, 1931, continues in part as follows.

Mrs. Marie Herring of Yonkers was called by Mr. Ewig for the plaintiff. She testified that Mr. and Mrs. Eckerson had occupied an apartment in Yonkers for about a year and a half. They came there in March of 1931 and left this past September. In the fall of 1931 she asked them to register in Yonkers and they said they were voting in Sawkill where they had property and where they were interested in the getting of some roads. On election day Mrs. Eckerson told the witness that she had voted in Sawkill.

Cross examined Mrs. Herring said she was Democratic leader in her district in Yonkers and had asked the tenants to register. At various times during the residence of the Eckerson family at the apartment they had been away for week ends. There were times when they were absent from Yonkers.

Leland Boice was next called. He operates a garage in the town of Ulster near the airport. He said he knew Edward Campbell for about a year. A month ago Campbell was at his place and said he had gone to get a job on the county highway work as he had voted for supervisor in the town of Kingston in 1931 and was entitled to a job.

On another occasion Mr. Eckerson came to the garage and Louis Hulsair, Jr., was there at the time having work done. Mr. Hulsair met Eckerson.

Boice said he had seen Eckerson about this locality several times prior to November 3, 1931, and had known him a short time prior to that. Eckerson was about various week ends. The witness said he knew Eckerson came from Yonkers.

Louis Hulsair, Jr., a former supervisor of the town of Kingston and a brother of Harry Hulsair, the relator in the present action, was next called. He said he met Eckerson a couple of weeks ago at the Boice garage. Eckerson said, "Are you the fellow I came up to vote against. If I had known what I know now I never would have come up." Hulsair said he was not the man who ran for supervisor. It was his brother.

Edward Campbell, one of the voters whose vote is contested, was next called. Campbell said he was 22 years old. His memory was poor on many matters and he was instructed to answer several questions by the court.

Boys Witness Was Hostile

Before examining the witness Mr. Ewig said he wanted the indulgence of the court as the witness was hostile to plaintiff. Judge Bliss stated that the same rule would be applied to evidence and examination of the witness by Mr. Ewig as would be applied to any other witness which plaintiff called.

Campbell said his folks resided in Yonkers. His father was retired and had formerly been engaged in the building stone business. When in town he said he stayed with his folks.

On November of 1931 he said he was up in the town of Kingston. His 1931 vote was the first he ever cast in this locality and he had previously voted in Yonkers when he voted. He could not say how many times he had voted, he said he would have to check it. In 1930 he voted in Yonkers but in 1928, a presidential year, he was in the Adirondacks and did not vote at all.

In 1931 he said he was in the town of Kingston and had registered and voted there. He enrolled as a Republican. He registered personally at the poll. He said he knew Charlton for about three years and he was "a fine fellow." He said he did not come up from Yonkers to register, he had been up there six or seven months when he registered.

Asked if he ever stayed with anyone else other than his parents when in Yonkers he said he did sometimes. Mr. Ewig asked him to name some of the people where he stayed and give their addresses.

"Well, I'll think it over and let you know later," replied Mr. Campbell. The court instructed him to answer now if he could give any names and the witness stated several places and addresses where he stayed over night when in Yonkers.

Asked what his business was, he said he was in the stone business. Asked where he was employed the witness said he was one of the un-employed at present. He once had an office in Yonkers and was in the stone business. He had this office three or four months in 1932, but it was closed now.

In 1932 he said he had an operator's license and also a registration for his car. Asked if he had it with him he said he might, but he failed to locate it. Asked by counsel where he had renewed his license he said he could not recall at the moment. Questioned by the court he said he believed he had renewed his license in Yonkers and had also transferred his registration from one car to another there too.

At one time he was in business with his father in Yonkers and later worked for his brother.

He was once employed by a local monument firm selling monuments about here.

Asked when he worked for his brother he was unable to say. He was not sure when he stopped working for his father, it was some time ago. He said he would have to look up these facts. For several years he had traveled between Sawkill and Yonkers. He first came to Sawkill on a hunting trip.

purchase had been made a year prior to that and he had been in possession of the property and had stayed there in the bungalow at times and had also stayed down in the village of Sawkill at times.

A recess was taken at this point until 2 o'clock.

**BACK PORCH OBSERVATIONS
AND WEST HURLEY MUSINGS**

West Hurley, Oct. 20.—The following schedule is in effect at the West Hurley M. E. Church: Sunday morning worship, 10:30; Junior Church, 11; and Sunday school, 11:30. Mid-week service, Thursday evenings: Ladies' Auxiliary, the second Thursday of each month at 2 p. m. All the ladies of the community are invited to attend. The Rev. Clarence C. Winchell, pastor, has returned from his vacation. The Rev. Dr. Shene conducted the recent mid-week service.

The erection of the basketball goals on the school yard has greatly increased the outdoor activities. The student body wishes to take this opportunity to record their appreciation of Mrs. Gaynor's gift which permitted the purchase of a basketball. It is rumored that the school paper, "The Chatterbox," will make its appearance soon.

new filled. These Kingston folks who appeared before the council recently during a hearing on the water tax, can not now complain of paying for something that they did not get.

A young lady of acquaintance, upon seeing the overjoyed from her eastern decked upstairs to the bathroom, placed the stopper in the tub, turned on both the faucet and filled the tub abnormally. The theory being, added storage space for that liquid.

Next morning a cursory examination disclosed the stopper in place, but the water gage without a solitary drop as to where.

Some of the Columbus spirit must have been injected in our town. Mr. Clarke, Clarence Osterander. Getting out the family car he set off with Mrs. Osterander and the two kiddies for parts unknown. A stop was made in Kingston, where Mr. and Mrs. Silas Super and Mrs. Robert, were taken aboard and the cruise resumed to the state fair in Danbury, Conn. An overnight stay was made in Norwich and thence through Mt. Vernon and Westchester to home, a total of 165 miles. The only discovery of Import Mr. Osterander's car was that there is a presidential election going on.

Mr. Barley reports that with the present political trend in the city, there will be an increase in consumption of barley from now till election day.

Mr. Wilbur has been removed from the Kingston Hospital to his home here in the village and is reported to be progressing very satisfactorily. Smiling Mr. Neubaum is again about and a full-fledged member of the caterpillar club. We believe that this club is formed of aviators who have made some sort of a leap.

Autumn renovations include. A small addition under construction in the rear of the Reynolds' home. The draining of DeWitt's pond and the installing of a cable stone border by Scott Van Kuren, who purchased the DeWitt log cabin last summer.

Robert Rowe has completed another pool in his corner of sunken rock garden. His home will soon become one of the show places of the village.

visitor at her parents' home here with a Miss A. Callon of Lynbrook, a guest.

Miss J. Finn and Jerry Spence of New Rochelle were recent visitors at the home of Mr. and Mrs. Jerome Smith.

While the world is gripped in the throes of a depression, John Street is wrestling with several in the red bed.

Law Preservation Ticket. Word has just been received in this city of the nomination of a complete state ticket by the Law Preservation Party. The ticket is as follows: For governor, Dr. John F. Vibbert, Rochester; lieutenant governor, the Hon. H. Westlake Coons, Ellenville; attorney general, Ralph H. Calliey, Rochester; comptroller, Francis A. Watters, Rome; chief judge of Court of Appeals, Judge Cuthbert W. Peaslee, congressmen-at-large, Miss Elizabeth Smart, Cambridge, and J. Elmer Cates, Walden.

Colonial Card Party. On the evening of Wednesday, November 9, there will be a Colonial card party at the home of Wilbur Clark, D. A. R., Crown and Green streets. This is the third and last of a series of social events of the Bicentennial celebration. Plans are under way to make the occasion of much delight to all who attend.

Fireplaces should be wide at the bottom as well as at the top. But it's a good place for somebody to save on cast iron. WEST SHOKAN.
West Shokan, Oct. 20.—Mr. and Mrs. Morris Roe and daughter, Sarah Florence, of West Shokan Heights, are visiting relatives at Kingston. Mrs. Roe, who is recuperating from a serious illness, is getting along nicely and expects to return home soon.

Ernest Constable of Constable Heights made his regular weekly trip to the store on Tuesday afternoon. Although it rained steadily all morning and the sky was heavily clouded during the afternoon, Ernest wasn't the kind to get "scared out", for he believes that there is nothing like having a good supply of provisions in the house ready for use. Ernest intends to put the finishing touches on his new poultry house as soon as the weather clears up again.

Mr. and Mrs. Sylvester Jones and Mildred Roe were Kingston shoppers on Saturday. They stayed over night at the home of Mr. and Mrs. Richard Bruckner of West Hurley.

A coincidence in dates is that Thursday, October 20, is the 20th anniversary of the burning of the stately residence of Mr. and Mrs. D. N. Matthews, which was one of the finest in the old village of West Shokan. The fire occurred as the family were entertaining guests at Sunday dinner and was not discovered until the roof was a mass of flames. In the confusion which followed comparatively little was rescued from the flames.

Flood waters now pouring into the west basin of the reservoir have raised the level very noticeably to the high flow line. The waters are not as muddy as they were at the time of the last flood, two weeks ago, due to closing the tunnel portal. Drift wood is still being burned off the dykes at the lower end and will provide work of this nature for some time.

Mrs. Frances Bell of North Main street, has been visiting at the home of Mrs. Addie Kelder of West Shokan Heights.

Mrs. Walter Schmoedel of North Main street Heights and Mrs. Elwyn Davis called on Mrs. Frank Whittier of Tuckaway Farm on Sunday afternoon.

Miss Florence Kelder spent the week-end with Mr. and Mrs. Lawrence Healey of Main street on Saturday evening. They enjoyed a trip to Kingston and attended the dance at "Rest A While".

Pearl H. Carey of Kingston, a representative of the Providence Mutual Life Insurance Company of Philadelphia, was a caller here on Monday evening, while en route home from a business trip to Delaware county.

Tuesday noon. On her way to school, Mrs. Edward G. West of Allaben, our local teacher, noticed that the Zaopus creek was running high. Consequently the classes were shortened and school was dismissed early. Mrs. West did not wish to encounter flooded roadways again, as she did two weeks ago, when she was unable to return home until late in the evening.

Mrs. Lawrence Healey of Main street entertained the Misses Helen Winkler and Flo Kelder at her home Thursday afternoon.

Mrs. Addie Kelder of West Shokan Heights enjoyed a very pleasant week-end recently with Mr. and Mrs. Larry Kelder of East Orange, N. J. While en route to Brooklyn to visit her sister, Mrs. Willabelle Bell, she had her first experience on the escalator. Naturally it was quite an interesting walk and will linger in her mind for some time.

Miss Alice Winkler, a student nurse at the Kingston Hospital, spent the week-end at her home on Main street.

Irrving Healey of West Shokan Heights, was a dinner guest on Sunday at the home of Mr. and Mrs. Lauren Healey of Main street.

Larry Kelder of East Orange, N. J., recently made a week's business trip to Indiana. The trip was made

by train to Chicago, Illinois, and from there to Indiana by aeroplane. Larry and his wife expect to spend the second week of November at the home of his mother, Mrs. Addie Kelder, of West Shokan Heights.

Mr. and Mrs. Howard Frymeyer and son, of Philadelphia spent the week-end at the home of Mrs. Addie Kelder of West Shokan Heights.

Posters have been received from our former pastor, the Rev. Carl F. W. Ahrens, of Walden, announcing the "Seven Day Jubilee" celebrating the remodeling of the Deany Memorial Baptist Church of Walden.

On Tuesday Mr. and Mrs. Arthur Snyder of Traver Hollow Inn were callers at Tuckaway Farm, the home of Mr. and Mrs. Frank Whittier.

While returning to South Mountain Cottage at West Shokan Heights during the bad storm two weeks ago, Anthony Massimo had the misfortune to crack a rib and receive other minor injuries when his car skidded on the road near Poughkeepsie, cutting off a telephone pole and wrecking the car completely.

Mr. Massimo has purchased another car and is keeping bachelor's hall at his summer cottage, with hopes that the invigorating mountain air will restore him to normal health soon again.

The spirit of Halloween is gradually creeping into the air. Long stately rows of cornstalks and gold-

en yellow pumpkins remind one of spooky and witches. Everyone is looking forward to a real community Halloween party. Perhaps we shall hear more about one at the next writing.

HOTEL CARES FOR CHILDREN WHEN PARENTS ARE AWAY.
Berlin (AP)—The first "children's hotel" in Germany has been opened here.

The idea is to furnish parents, who must entrust their children temporarily to the care of others, a place where they may leave their offspring for one or more nights. Prices range from 75 cents to \$1.25 a day.

Facing the Tiergarten park the four-story building contains large play-rooms, reading rooms with fairy tale books, rest rooms and a nursery for baby guests. There are also a garden and a fancy little theatre for amusement of the young patrons.

Trained nurses take the place of waiters in the children's hotel. Young ladies, recognizable by yellow armlets, are posted at the main railway stations to take charge of guests from out-of-town.

Kindergarten mistresses supervise the children's doings at the hotel, and regular sightseeing trips in big buses are arranged for the older youngsters.

"SIRE, WE WILL OBEY"
DUCE REASSURES KING
Rome (AP)—Mussolini reaffirmed his obedience and that of his people to King Victor Emmanuel at the unveiling here of a monument to the Bersaglieri troops.

Mentioning two Bersaglieri heroes and speaking directly to the king he said:

"Sire, they furnished a criterion of what our people can do in decisive moments. When your order rings out, we, now as yesterday, will obey."

City Gets Dog Ambulance
Johannesburg, So. Afr. (AP)—The city government here has purchased an ambulance for injured dogs. The vehicle is a tricycle operated by a native. He delivers his patients to the city pound for treatment.

ONE BILL for Many Home Services Permits You to ECONOMIZE as You MODERNIZE

The Complete Modern Home is brought within easy reach of the average household by the Complete Gas and Electric Home Plan. Many homes in the city are already using this plan which permits the installation of all the needed appliances at once, and arranges for payment of all costs, including fuel or power under a single reasonable monthly charge.

Even the Heating of Your Home may now be included under this new plan. Reduced rates for gas used for house-heating, and remarkably low cost for the simple equipment needed to use it in your own furnace, make this plan more inclusive than ever. Heating, the biggest job of all may be covered in the same monthly charge that includes refrigeration, cooking, cleaning, hot water, lighting and many other essential services.

Quantity Purchase Rates Save You Money when you buy all the important home services together, rather than paying for them separately. Not only do electricity and gas make home-making easier at many points, and the home more comfortable, but comparisons show that this modern convenience often brings with it an actual saving in cost.

Whether you have but one home service or a dozen to be modernized electrically or with gas, this Complete Home Plan will work to your advantage. The needed appliances may be purchased from the dealer you choose, with entire liberty of selection and the unified purchase plan applied to all.

Your dealer can tell you about the plan, or we shall be glad to send a representative to confer with you and outline its details as applied to your own home.

Parent-Teacher Associations

County Conference.

Usher County Director Mrs. Joseph Smith of Sanger, presided at the Usher County P. T. A. Conference held on Wednesday at the Kingston Y. M. C. A. with 32 registered delegates.

The morning session opened with the singing of "America the Beautiful."

After a few brief words of greeting from Mrs. Smith and former district president, Mrs. Arthur H. Russell, Mrs. Edwin G. Knauss of Poughkeepsie, the newly appointed president of the Central Hudson District, was introduced. Mrs. Harry Clearwater, in behalf of Kingston Federated Council, presented a handsome shoulder bouquet of roses to both Mrs. Knauss and Mrs. Russell. The district publicity chairman, Mrs. W. R. Anderson of Kingston, spoke on publicity in general and gave the state specifications for publicity books.

Mrs. Russell made an appeal for contributions to the state student loan fund, and mentioned that several from Usher county had received aid from that fund.

The units represented at the conference were called upon for reports. Creek Locks reported a piano, kindergarten material, washing conveniences and a bubbler fountain provided for the school, hot lunches served and a general clean up of the school and grounds.

Highland, a unit only five years old, reported the last payment made upon their playground, a plot of swamp land which they had filled up and converted into an athletic field. They are starting a child study group under Miss Jenkins of Vassar College, and are sponsoring an eighth grade school orchestra, also four school dances.

Hurley has for the second year a study group under competent leaders, bought kitchen equipment and built closet to house utensils, served hot lunches, bought piano, window screens and drinking fountain, made tennis court and installed playground equipment.

Kingston Federated Council reported attendance contests offered and is giving each unit in Federation a month's program to plan.

Kingston High School reported over 100 in attendance at their first fall meeting and an attractive program given by two teachers.

Knights No. 3 reported a planned program for the year, refreshments held at start of meetings instead of at the close when many had to leave, and a plan for each mother before the meeting to have opportunity to meet the teachers in her room, much welfare work done and mimeograph bought for school.

Knights No. 4 reported mimeographed programs, hot cocoa, as served, welfare work and a delegate sent to the state convention.

Knights No. 6 reported \$42 raised by food sale to be put in fund for glasses, a clam chowder sale in prospect and a membership gain from 124 to 257.

Knights No. 7 average \$8 at meetings, serve hot soup and cocoa to lunch pupils, milk to undernourished, had over 1,000 in attendance at their circus, and have printed programs with theme "Modern Trends in Education."

Knights No. 8 has 188 members, has grab bag at food sales for children, held National Study Contest with prize to each grade, city school principals judging exhibit, typewriter and victrola given to school through their solicitation.

Lake Katrine gave electric clocks to two rooms, furnished washing arrangements, milk to children, held meeting in evening so fathers can attend.

Maple Hill, a new unit formed in September, has 30 charter members, and will hold an evening meeting every other month for fathers.

Mr. Marion has printed programs and joins with Lake Katrine in lecture on Social Hygiene by Dr. Robinson, of State Department of Health.

Port Ewen is helping in a toxine clinic, has "Home Education" as program theme for year, at their solicitation school board built fence and installed electric fountain and playground equipment.

Saugerties with 127 members is spending \$100 on Hill street playground; gives book to grade having best attendance of parents for year at meetings; gives picnic at end of year, and combines with Board of Education for Teachers' Banquet; sent delegate to convention, also to Ithaca Institute.

Whiteport gave school encyclopedia, piano and kindergarten material, also flag for room, Literary Digest and supplementary books, gave \$5 to student loan last year and \$3 this year.

Woodstock has 33 subscribers to Child Welfare Magazine and New York Parent-Teacher, gave needed books to school, also piano, and are to raise funds by a concert in Reformed Church.

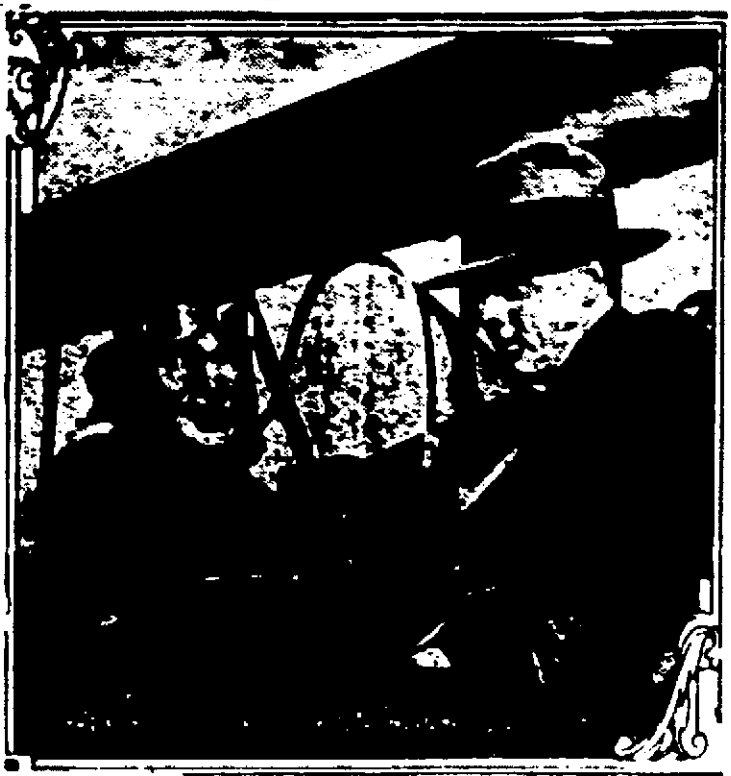

Luncheon was served by Y. M. C. A. Auxiliary.

Miss Winifred Erskine of Monroe, from State Department of Health, spoke briefly upon the need for a county welfare nurse. Her work as district nurse comprises Orange, Sullivan, Rockland and Ulster counties. She stated that the maternal and infant death rate in Ulster county is very high and shows the need for better medical care and a resident nurse.

Mrs. Knauss set forth the standards for units to work for and made a plea for more planned programs, child study classes, subscribers to "Child Welfare" and "New York Parent-Teacher", also for prompt filling out and returning of questionnaires.

Mrs. Russell gave an account of the state convention held at Albany. She quoted the new state president, Mrs. Francis Blake of Albany, as saying that our principal concern is to fight off efforts to reduce the taxpayers' burden by cutting down appropriations for education. Mrs. Blake feels that as our present standards are not as high as they should be, it is of double importance to at least hold what we have. Mrs.

"Happy Landings" Says Colonel Lindbergh to Trubee Davison

The Flying Candidate Lends an Airplane Exclusively on His Political Tours

WHILE several candidates throughout the country are using the airplane as a vehicle for political stumping, Trubee Davison who originated the idea, continues to set the pace. The Republican nominee for Lieutenant Governor is on another of his whirlwind tours as one of his closest friends. Other famous aviators—men who have achieved fame in the industry—such as Clyde E. Pangborn, who last year negotiated the Pacific and was the first man to fly this hazardous route, and Bert Balchen, who piloted Admiral Byrd over the Atlantic and South Pole, are campaigning for him. Mr. Balchen, who recently became an American citizen, did so for the purpose of helping Mr. Davison. Pangborn has changed his voting place from Wenatchee, Washington, to New York to do likewise, and Roger Q. Williams, who flew from Maine to Rome, is also following suit.

The Flying Candidate, often referred to as a "Flying Friend of Flyers", will have covered more than ten thousand miles before the campaign ends, reaching practically every city and town in New York. Despite a serious accident while flying, which almost cost him his life, Mr. Davison has never lost enthusiasm for aviation. With the exception of a year in the hospital, he has been flying continually since the spring of 1917, when he organized the famous Yale Aviation unit, which later became part of the Naval Air Service.

Accompanying the candidate is Mrs. Davison who is a pilot herself, and equally fond of flying. Mr. Davison is a veteran of more than three thousand hours and is recognized among pilots as an excellent flyer. He is seen in the above photograph with Col. Charles A. Lindbergh, wishing him a happy landing. The Lone Eagle, while not to set the pace, regards Mr. Davison as one of his closest friends.

A group of distinguished flyers have organized an Aviation Committee for Trubee Davison for Lieutenant Governor all over the State. This group includes more than five thousand members.

Blake stresses the chief goal of the organization to be tiding education over the depression crisis as the education of children is the fundamental strength of the nation. Mrs. Russell also summarized the resolutions passed by the convention and stated that the platform was to be a national party.

The convention, put itself on record as favoring a maintenance of state aid to schools, under the Friedman Act, non-curriculum of the educational budget, for central rural school cooperation with state and local health officials in carrying out their plans, character training for children stressed in every part of the school work, certified attendance officers, and for protective health service by state and local health agencies, especially for mother and child.

Other county conferences will be conducted by Mrs. Knauss as follows: Sullivan county at Livingston Manor, October 22; Orange county, October 25; Putnam, October 29, and Dutchess, November 10, at Poughkeepsie.

FRENCH GENERALS WARNED TO BE SEEN, NOT HEARD

Paris (AP).—Joseph Paul-Boncour, France's minister of war, believes that generals should be seen, but not heard.

In a recent circular, he told the higher officers that they must not speak at ceremonies which the minister attends in person. He reserves for himself the right to talk on behalf of the army.

In case, however, circumstances seem to oblige a general or colonel to say something at a veterans' reunion or the dedication of a war

monument, M. Paul-Boncour stipulates that the officer must first submit his speech for approval.

The minister's aim is to avoid possible belittling utterances by professional soldiers.

PALENTOWN.
 Palentown, Oct. 20.—All are very sorry to hear that Mrs. Oliver Gray is ill. All hope she will soon recover.

Miss Marian Brammer, who is attending high school in Poughkeepsie, spent Sunday with her parents in this place.

Mrs. H. Traver has received a letter from her daughter, Mildred, saying that she arrived safely in Rochester. The trip was made by automobile.

Mrs. Everett Brannan entertained her two sisters and their families last Sunday from Springtown.

Simon Lyons and his mother and sister, Mrs. Post, and daughter, Gloria, from Kingston called on Mr. and Mrs. H. Brown on Sunday afternoon.

Orne Coddington and friend called on his brother, Eli, on Sunday.

Mr. and Mrs. Peter Fillman spent the week-end in their new bungalow in this place.

Orne Lee called on John Traver on Tuesday afternoon.

Jacob Miller of Kerhonkson Heights spent a few days with his mother and family last week.

Speculate in Bank Books
 Zagreb, Jugoslavia (AP).—Buying up deposit books of a big local savings bank, now under liquidation, is the latest speculation here. The directors say the bank will pay in full, but middlemen are getting the books for around 45 per cent of face value and selling them to the bank's debtors for 75 per cent.

COAL DISCOUNT ANNOUNCEMENT

WE STAND READY TO HELP YOU KEEP YOUR HOME WARM THIS WINTER AND SAVE YOU 80 CENTS A TON ON YOUR FULL REQUIREMENTS PURCHASED FROM THIS TIME UNTIL NEXT APRIL.

Instead of filling your bin—which would necessitate the payment of a considerable amount within 30 days in order to earn the 80 cents a ton discount—we will spread deliveries over the winter to permit you to take your coal in such amounts as you can conveniently pay for before the discount period expires.

In order to make this plan possible we are not able to grant credit beyond 30 days in any case; therefore, at the time you place your order tell your coal dealer to deliver such an amount of it as you can conveniently pay for in 30 days.

Roosevelt Leads in Literary Digest Poll

Hoover Continues to Carry the Six New England States and New Jersey—Roosevelt Indicated Getting Over One-Half of His Vote in Twelve States from Former Republican.

Roosevelt is leading Hoover by slightly over 2 to 1 in the fifth week's tabulation of The Literary Digest's nation-wide Presidential poll for which returns from all forty-eight States are reported in tomorrow's issue of the magazine.

A total of 2,617,185 ballots are tallied in the current returns. Governor Roosevelt received 1,473,448 of these, or 56.30 per cent, and President Hoover gets 973,867, or 37.19 per cent. The balance is divided among the five minor candidates with Norman Thomas receiving 4.88 per cent of the total vote cast.

The ten new States reported in this week's compilation include Florida, Maryland, Minnesota, Missouri, North Carolina, Oklahoma, Texas, Virginia, Washington and Wyoming. All are voting for Roosevelt.

Hoover is carrying the seven States of Maine, Vermont, New Hampshire, Massachusetts, Rhode Island, Connecticut and New Jersey. Roosevelt is ahead in all of the forty-one other States.

On the basis of an Electoral College vote a division of the current balloting would give Roosevelt 474 electoral votes to Hoover's 87.

The voting in New York is closer than in any other State, making the outcome here doubtful at this time. Roosevelt is polling 159,428 votes to Hoover's 148,798.

A close race is also evident in Delaware, where Roosevelt has a plurality of only 292 votes out of a total of 5,832 cast in the State.

Hoover made slight gains in the poll during the week in California and Rhode Island. The voting in all of the other 36 States previously reported has changed only fractionally since the last report. The balloting from the ten States for which first figures are reported furnish the bulk of the lead which Roosevelt gains this week.

The returns from "State Unknown" divide 59.47 per cent for Roosevelt and 38.66 per cent for Hoover, which is slightly in excess of the Democratic candidate's ratio for the country as a whole.

The polling of the District of Columbia, which has no official election, shows Roosevelt receiving 4,784 votes to Hoover's 3,577.

In an analysis of "how the same voters voted in 1928" it is indicated that Roosevelt is receiving 27.05 per cent of his strength from former Republicans, 47.95 per cent from Democrats and 14.81 per cent from those who did not vote four years ago. The same analysis reveals that Hoover is obtaining 29.59 per cent of his votes from former Republican ranks, 6.11 per cent from the Democrats and 13.25 per cent from those who did not vote at the last quadrennial election.

It is indicated also that Roosevelt is obtaining more votes from former Republicans than from members of his own party in the twelve States of California, Iowa, Kansas, Michigan, Nevada, North Dakota, Oregon, Pennsylvania, South Dakota, Washington, Wisconsin and Wyoming, while in Illinois the division is almost even.

Hoover rolls up his largest lead in Massachusetts, where he is ahead of his Democratic rival by a vote of 81,729 to 59,712. Of the seven States which the President is now carrying New Jersey is giving him the smallest percentage margin. The vote in this State is 68,175 to 52,469 for the Republican candidate.

Governor Roosevelt has a clear majority in thirty-nine States in the voting this week.

The Socialist ratio in the poll has declined from 6.28 per cent in the first week's returns to 4.88 of the total of the current tabulation. All of the other minor candidates are polling less than 1 per cent each of the total vote.

"Our tabulation, incomplete as it is," The Literary Digest will state editorially tomorrow, "gives an enormous sample of the country's voting strength. It represents the present moment, more than two weeks before Election Day. The sample is growing like a snowball, and public opinion may change as it grows. The ballots are still rolling in."

By coincidence or fatality, every one of the twelve new States reported this week is for Roosevelt, at this stage of the balloting.

"The State of Washington is notable for the great excess of former Republicans in its Roosevelt total, 12,499 of them to 8,940 Democrats. Of course there is nothing to show how many of these 'Republicans' were Hoover Democrats of '28 and how many are 'normal' Republicans whom the depression, mayhap, has alienated from their party."

"The most important Roosevelt majority, of course, is that of Texas, which gives him 69,441 ballots against 13,972 for Hoover. And Missouri evidently thinks that Roosevelt has 'shown' her something, for she gives him 57,989 of this week's ballots, with only 21,222 for Hoover."

"In the 1928 election, Missouri gave Hoover 224,856 against 662,562 for Smith. The figures for Texas were 267,028 for Hoover and 341,022 for Smith."

Sweden Plans State Control Of High Finance

Stockholm (AP).—Steps to prevent the financial system from being forced to the verge of collapse are being taken in Sweden, according to the program of the new cabinet.

There is no direct reference to the explanation of its aim to the social democratic party, the information has been found, however, in this paragraph:

"The government is to take up the question of combining the state control of private banking with regulation of the economic activity of the country."

Middle Class in Power.

Leaders of the social democrats are aware that their success at the last election was due, to a considerable extent, to the crumbling of the Krugger ideal. Thousands of middle class voters went to the party as a reaction from the Krugger explanation.

The new government expects to carry out its pledge by stricter oversight of the financing of large projects as well as loans to private enterprise by the state bank. For this purpose a new bureau may be set up.

The program of the new government also includes a "free trade policy as far as possible," action to aid the farmers, a change in unemployment relief policies, and a stimu-

lus of private industry as an aid to the general economic situation.

Young Men Govern.

To aid him in carrying out this program Prime Minister Per Albin Hansson, son of a small farmer, has assembled the youngest cabinet in Sweden's history. The average age of the cabinet members is 45 and Hansson himself is only 47. One of the two constructive experts, Professor Gustav Fries, president of the University of Uppsala, who has served as foreign minister and minister of justice, and now heads the government economy commission, is 44.

The new government has indicated that it intends to liberalize unemployment relief which now provides no wages or "make work" projects. It is expected that the unemployed will have to indicate a willingness to work, and at once, and on their own initiative.

CHILEAN MONEY PLAND HALTED BY NEW KINGS

Santiago, Chile (AP).—Many socialistic reforms of the 16-day Davila government have been junked, and considerable changes are being made in others.

One chief trouble was that the wholesale decrees called for too much money.

The money has to be printed—there being few other sources now—and Davila's decrees, investigators say, would have worked the printing presses overtime.

Buy Tickets on "Tick."

Budapest (AP).—Theatre tickets are being sold on credit by the Heiler Theatre here to avoid customers suffering from the national shortage of ready cash.

GERMAN PLAY TO GIVE EXTRA 1934 PARSON PLAY

Obernberg, Germany (AP).—This Parson Play village has decided to give an extra performance of its famous Crucifixion in 1934, to commemorate the tercentenary of the play.

Ordinarily the play is presented once in 10 years. The last regular performance was in 1830.

For the 1934 play there will be a certain rather dramatizing the ravages of the plague which afflicted the village 300 years ago. It was this visitation which called out the vow which is the basis of the legendary performance.

Britisher Think They Rock

London, England (AP).—Alfred Bowman, a bookbinder, believes he has made the smallest book in the world, three thirty-seconds of an inch wide but hand sewn in full leather call cover. There is one letter on each page.

Financial and Commercial

New York, Oct. 21 (AP)—The stock market ran into one of those unaccountable squalls of selling in the earlier hours of trading today, which sent many issues down 2 to 5 points. It was the sharpest setback in nearly a fortnight, but the flurry was soon over, with prices steadying in extremely quiet trading during the middle of the day, when several issues recovered a point or so.

The decline embraced virtually all groups. Issues of 2 to 5 points included U. S. Steel, American Telephone, American Can, Consolidated Gas, United Aircraft, Westman, Liggett and Myers, "B" Case, Corn Products, Allied Chemical, Southern Pacific, Union Pacific, and Santa Fe. Losses of 1 to 2 points appeared throughout the list, embracing oils, coppers, motors, electric equipments and others.

The market was still largely a professional trading affair. Brokers reported considerable bearish activity. While steel quarters were inclined to look upon the cut in steel rail prices as a constructive move, it was apparently used as bearish ammunition in the market. Bearishly inclined traders also mentioned the remarks of Montagu Norman, governor of the Bank of England, who in an address in London last night said frankly that he could not clearly see a way to economic recovery.

The morning slump in the market took many quarters in Wall Street by surprise, inasmuch as the recent action of the general lot in resuming the downward tendency in the tobacco had been accepted as a sign of underlying strength. Optimistically inclined brokers, however, had been recommending buying only on reactions.

Society Notes

Ellesville, Oct. 21.—Miss Rebecca Pennick, daughter of Mr. and Mrs. Samuel Pennick, of Wurtzburg, and Ed Oakley of New York city, were united in marriage in a quiet ceremony in New York city on Sunday. The bride is a graduate of Ellesville High School and is well known here. The couple plan to make their home in New York city.

Surprise Shower
Ellesville, Oct. 21.—A surprise shower for Miss Elizabeth Wyke, who will become the bride of Howard Pennick of Perth Amboy, N. J., was given by Mrs. James Deane, Mrs. William Spiller and Miss Agnes Tenney at the home of Mrs. Seafair on Friday evening. Miss Wyke received many lovely gifts, which were presented to her in a large basket. Bridge and pinole were played during the evening and prizes were awarded in bridge to Mrs. Robert Decker and Mrs. Julius Wolf and in pinole to Mrs. Louis Bell and Miss Elizabeth Wyke.

Custom Family Reunion
Ellesville, Oct. 21.—Twenty-eight guests were present at a family reunion held at the home of Arthur Coston on Sunday, October 16. A bounteous dinner was served. Those present included Mr. and Mrs. Wilbur Wagner, Mrs. Jane Wood, Mr. and Mrs. Edward Woelke and daughter, Souleah, of Spring Brook, Frank Warden of Rockland, Mr. and Mrs. C. C. Cavanaugh, Mr. and Mrs. John Pommiter of Canandaigua, Bradford Ambeck of Callicoon Center, Mrs. George Bullis and son of Middletown, Robert Briggs, Wealthy Briggs and Mildred Briggs of Greenfield Park, Jacob Coston and daughter, Gertrude, Mr. and Mrs. Earl Hook and family and Mr. and Mrs. William Coston and family of Dairyland.

Golden Wedding Anniversary.
Monticue Heights, Oct. 20.—Coming as a complete surprise, the children of Mr. and Mrs. Leonard Van Eken gathered at their home on October 15 to celebrate their golden wedding anniversary. Mr. and Mrs. Van Eken are the parents of 20 children. The children present at the celebration were: Anna, Emma, Emily, Olga, Rosalie, Robert, John and Harold. Two daughters were unable to be present, Mary of Branchport, N. Y., and Julia of Ansonia, Conn. The following sons-in-law were present: Donald Colville, Edward Olverton, Harry Smith, Mr. Robert Van Eken and Mrs. Harold Van Eken. Seven of the grandchildren were present. The home was attractively decorated with autumn leaves and fall flowers. The color scheme of the dining room was white and gold. A fine supper was served and the table was graced with a handsome wedding cake. The children presented their parents with a poem of gold pieces.

PORT SWEN.
Port Swen, Oct. 21.—Hope Lodge, No. 65, Knights of Pythias, will be honored at its regular meeting this evening by a visit from Supreme Representative, Palmer A. Canfield, who will address the brotherhood on various questions of interest concerning Supreme and Grand Lodge legislation. A very pleasant and interesting evening is promised to all Pythians. Refreshments will be served.

Miss Alice Lapine, who spent the summer at Lake Mohawk has returned to her home on Green street.

Mrs. Paul Beaver, president of the Port Swen Parent-Teacher Association, Mrs. Paul Potter, Mrs. William Buddenhagen and Mrs. Arthur Widdam attended the Parent-Teacher Association Conference held in Kingston, Wednesday.

Those who are selling tickets for the N. E. Church turkey dinner to be held in the church house Tuesday evening, November 22, are asked to report the number of tickets sold to H. C. Jump by this evening.

The Boy Scouts will hold their regular meeting in the Reformed Church house at 7 o'clock this evening.

The newly elected officers of the Christian Endeavor will be installed Sunday evening, October 23. All officers must be there and all members are urged to attend. The speaker of the evening will be Walter Parker of the New Paltz society, who will tell of his trip to South America to attend the Sunday school convention.

The Ever Ready Club will be entertained Monday evening, October 24, at the home of Mrs. James Tinsie.

ARDONIA.
Ardenia, Oct. 21.—Emmett Hyatt attended the first meeting of the Epworth League winter luncheon which was held in Wadsworth Tuesday evening, October 12. Several other members from Medora were also present. The next meeting will be held next Tuesday evening.

Rabbi Brilliant to Head Hebrew School

Rabbi N. Brilliant has been engaged by the Congregation Agudath Achim as Rabbi and teacher of the Kingston Hebrew and Sunday school. As heretofore, the school will conduct daily classes in Hebrew and Bible study while the Sunday school classes will study the Bible, Jewish history and ceremonies.

Rabbi Brilliant, a graduate of Isaac Elchanon Yeshiva college in New York is an able and experienced teacher. The method of instruction to be followed will be modern. The school will be open for registration Monday, October 24.

The Congregation Agudath Achim extends a cordial invitation to the

Jewish children of Kingston to a Shabbath Torah party at the synagogue in the early evening Saturday, October 22.

Thoughts Recall the Man
Do you want to know what a man really is? Go into the picture gallery of his mind, and see what pictures are being there in the strongest light. Look into the studio of his soul, and see what are the pictures there upon which he most often gazes. Uncover the contents of his imagination. He made that. That made him. "As a man thinketh in his heart, so is he."—Rev. Edward T. Sullivan.

Actuary's Duties
An actuary in a life insurance company is the officer who deals with the mathematical side of the business. He computes premiums, cash and loan values, etc., and apportioned dividends.

"Hot Harlem Revue" At Broadway Theatre

"Hot Harlem," the all-colored stage presentation at the Broadway Theatre made a big hit at performance Thursday when it opened its three-day engagement and from comments heard about the show it should play to capacity houses during its stay here.

One outstanding feature of the revue is Ralph Cooper's orchestra. This ensemble of musicians is considered by many who heard it as one of the best ever to appear in Kingston. Cooper plays his own arrangement of several numbers, including "Mood Indigo" and "Tiger Rag."

His work is unique. Matt Hite, premier colored song-stress of America features in several numbers by the orchestra, assisted by ten ebony dancers, who also do their share in numbers with Alice Dixon, feminine dance star of the show.

Some of the best tap dancing ever seen here, on a par with that done by the three Jacks in the "Show Boat Revue" recently, is presented by Sam Sam and Sam. This trio of colored dancers are in a class all by themselves.

Pleanty of laughter is furnished by Gail DeCaston and George Williams, Harlem's outstanding comedy clowns.

Small Dogs
Terrible terriers, the smallest breed of dogs, have been known to weigh as little as ten ounces.

Maroon Eleven Has Easy Week

Coach G. Warren Kins put his boys through a light signal drill this afternoon which is the last workout before the Middletown game, there, Saturday afternoon. The local team has had an easy week of practice. Tuesday and Wednesday afternoon the team had a light session; Thursday a complete layoff and Friday another easy period.

However, the boys are in shape and really don't need much work. To keep the signals brushed up and the boys limber is probably the best thing. Kins is staying on the safe side of things this year. He is avoiding scrimmage in between games because of the many minor injuries the boys received in past engagements.

The setback last week should have primed the squad for this game. The local team will meet Middletown with well balanced squad ready to repulse the best attack of Hughes' team.

Undoubtedly a large attendance will be at the game since the trouble between Kingston and the Middies has intensified the atmosphere with such bitter enmity. Kingston usually runs a bus to this game but the spirit apparently has dropped from that which the student body possessed a few years ago. Still many will attend in private cars.

Other DUSO Teams
Newburgh Free Academy plays Mt. Pleasant High School from Schenectady, that squad Kingston beat two weeks ago, 8-0. This will be the last pre-DUSO tilt before the Academy enters in the first league game with Middletown, next Saturday, October 29.

Port Jervis has been booked against Raymond Hordorn. This will be Port's last fling at minor competition, for it meets Kingston next Saturday afternoon on the Kingston Fair Grounds. This will be two DUSO games for the Maroon hand running.

Hebrew-Americans To Drill Monday

The Hebrew-Americans will prepare for the opening of their basketball season on November 2 against the Adelphi Club of Newburgh by holding a series of practices under direction of Coach Irv Reuben, beginning next Monday. All drills will be held at the Downtown Jewish Community Center court, which will be renovated and new baskets installed.

In the Adelphi Club the Hebrews will face a strong quintet, composed of men who are expected to make places on the varsity of Newburgh High School. The Christmas brothers, famous high scoring forwards of the Billy City, will also be with the team. Last year the H-A's defeated the down-river club by close scores on two occasions.

Other games will be played by Coach Reuben's local squad against Jeffersonville High School, Kerhonkson High School and Kingston High School varsity.

The Hebrew-American team roster contains the following players: Forwards, O. Basch, L. Levine and M. Bahl; center, M. Basch; guards, Sam Rosenberg, J. Spitzer and D. Goldfarb.

Hebrew Girls to Hold Court Practice

The girls' basketball team of the Downtown Jewish Community Center will hold practice Saturday night, starting at 8 o'clock. Coach Irv Reuben hopes for a large attendance. Among the girls to take part in the practice are T. Alcon, T. Len, D. Gallop, H. Kline and S. Lutrin.

Holy Name League Meeting Tonight

Captains and players of the newly organized Holy Name Basketball League of St. Mary's parish are requested to be present at a meeting in the school hall, Broadway and McEntee street, this evening at 7:30 o'clock. Final arrangements for the opening of the league schedule will be made.

Scout Financial Drive Falls Short

The workers in the Boy Scout finance campaign met in St. John's Church, Albany avenue, Thursday evening and enjoyed a very excellent supper served by the ladies of the church.

Reports from the workers in the city showed collections for the day amounting to \$520, or a total up to and including the evening of \$2,016.25.

While this amount is less than half the amount asked for from the city attention was called to the fact that 780 prospect cards were still out, either not seen or unreported.

City Judge Callahan, who presided, and C. Ray Everett, chairman for the city district, thanked the workers who were present for the splendid work they had done, but there was also criticism for those who had failed to perform their share of the work.

Volunteers were asked for to help clean up the cards which had been returned with the prospects not seen and there was a very gratifying response, every man present agreeing to help. Before the meeting adjourned every card had been taken upon themselves this additional task. A final report will be made at the scout office on Monday evening.

Reports from communities outside the city were received from: Port Jervis \$37.50, Rosendale \$23.50. A number of communities not in the Kingston district reported subscriptions or additions to sums already reported. Milton reported \$25, Clintondale \$41, New Falls \$75, Accord \$21.50, Windham \$16, Tannersville an additional \$40. Nineteen of the communities have made no report as yet.

Total subscriptions reported to date amounted to \$3,243.25.

The final reports from city workers as submitted Thursday evening showed that Major Herbert E. Thomas's upstart team had made good its challenge to the teams of Majors J. Schwenk and C. J. Heiselman, the team standings being: Thomas, \$552.75; Schwenk, \$293.50; Heiselman, \$160.

The amounts turned in by the various captains were:
Joseph Morgan ... \$150.75
Floyd Spencer ... 84.25

CREATED DISTURBANCE AT THE PLACE OF MRS. JONES

Angelo Fiorino of 715 Broadway and Ralph Dimock of 11 Schryver Court were arrested by Sergeant Cunningham Thursday and arraigned before Justice H. J. Stinson on complaint of Mrs. Gertrude Jones, of the Plank Road, who charged them with creating a disturbance at her place Wednesday night. They pled guilty and were given a small fine. The complaint against a third party was withdrawn.

Charged With Burglary.

Kenneth Schoonmaker of Rosendale was arrested today and committed to the Ulster county jail on a bench warrant issued by County Judge Traver. He is charged with burglary in the third degree.

Wrote Song for Bigger

This story is told about Mozart, celebrated Austrian composer. He was asked for charity one day in a street of Vienna by one who had known better days. He felt in his pocket in vain. Telling the man to wait, Mozart ran into a nearby tavern, sat down and composed a minuet on the spot; ran out again, gave it to the petitioner with instructions to carry it to a certain music publisher, who would give him something when he saw the contents.

MEETING OF EXECUTIVE COMMITTEE OF FEDERATION

The November meeting of the Executive Committee of the Kingston Federation of Women's Clubs was held at the City Library on Thursday afternoon, Mrs. Harry Walker, the president, presiding. Several matters were brought up and voted upon favorably, as follows: That the Federation of Women's Clubs become a patron of the Kingston Symphony Society, sending in its check to the society; that \$10 be contributed to the Salvation Army relief fund; that the president represent the Federation at the coming New York State Federation meeting in New York city, her expenses to be paid in full; that owing to the fact that the president and several members of the Federation would be in attendance upon the November meeting of the Executive Committee, that Executive Committee meeting be held on Thursday, November 10.

Short reports were received from each of the club representative present as to the study topics of their respective clubs, all of which have been noted in The Freeman. The Monday Club reminded those present of the open meeting on Saturday afternoon at 2:30 o'clock, at the chapel of the First Reformed Church. At 2 o'clock Mr. Stralsky, teacher of the Russian language at Vassar and native of Russia will be the speaker. Rising above controversial issues Mr. Stralsky will speak of essential Russia, its people, customs and intellectual life. The meeting also went on record as approving the proposition of the \$20,000,000 bond issue for state unemployment relief, beginning November 15, to be voted upon at the coming election.

It was noted of importance to open the business session of the open meeting on Saturday promptly, since, among other matters to be considered, would be the election of delegates and alternates to the coming state convention, and a brief report of the recent "New Day Conference," sponsored by the Herald-Tribune for club women, and attended by Kingston women.

Reports were given by Dr. Day, chairman of the Public Health Committee, Mrs. Reed of the Good Government Committee and Miss Healy of the Individual Membership Committee who announced one new member, Miss Katherine Millard.

OPEN YOUR MIND save money!

Try Niagara Hudson Coke without risk

Who would have a taboo against saving real money this winter? That's what you can do if you burn Niagara Hudson Coke!

Do you hesitate to try this modern fuel? Why? Coke today is no more like the coke of war times than bicycles are like airplanes.

Try Niagara Hudson Coke for yourself! Order a ton, or even a half ton. There's no risk. Our guarantee says "If you're not satisfied we will remove the coke and refund your money."

Burn Niagara Hudson Coke for a week or two. Our demonstrator will show you exactly how to tend it. He'll start your fire. Show you how to adjust your drafts. How to check your dampers. You can't go wrong.

Then ask yourself these questions:

1. Doesn't it last as long or longer than the fuel burned last winter?
2. Isn't it lighter to shovel?
3. Aren't there less ashes to carry out?
4. Doesn't my house heat quicker on cold mornings?
5. Doesn't the fire burn steadily all day with little attention?
6. Doesn't it bank nicely over night?
7. Isn't my chimney-pipe cooler? (That's because less heat is lost up the chimney).

We're at the other end of your phone. Why not give us your trial order now?

Duce's Frown Ends Turati's Career

Former Party Leader
Disciplined—Now
In Sanitarium

By JOHN EVANS

Rome (AP)—Mussolini's stern disapproval that sweeps into oblivion those who fail to maintain fascist standards has its most recent example in the case of AUGUSTO TURATI.

Score of men, air and little ministers, deputies and party leaders, other his friends and comrades have known the same way suddenly, from power into the darkness of the camp's secret.

Reigns Two Pathways

Turati for nearly five years was secretary of the fascist party, spokesman and strong right arm of Mussolini. When he resigned two years ago there were reports that the due was dissatisfied with him but about afterwards Mussolini made him editor of the powerful Turin newspaper *La Stampa*.

In August Turati resigned and now it has been confirmed by government officials that Turati is in a sanitarium for nervous diseases.

Gossip had it that correspondence of his caused him to be sent to "confinement" but officials emphasized that Turati was a patient, not a prisoner. Quite unofficially they added that his public career had ended.

He was one of fascism's brilliant men, an editor who wrote well, an

Millions Are Hit

Millions of people in Italy are suffering from catarrhal deafness and head noises, a condition caused by inflammation of the middle ear.

Richard, a famous English poet, has suffered from this condition for many years. He has been unable to hear the voices of his friends and has been forced to live in a world of silence.

Doctors have tried many treatments but have been unable to cure the condition. The only relief has been the use of a hearing aid.

Many Have Quitted

Many others have quitted their careers and lives because of the condition. Some have been forced to leave their homes and families.

THRIFTY SERVICE

EVERYTHING WASHED—FLAT WORK IRONED

"I know a bargain when I see one. And when I say that Thrifty Service is a wash-day bargain. I know what I'm talking about! The laundry washes everything beautifully and a lot cheaper than I can do it at home. It irons the bed linens and table linens—all the hard-to-do flat work—without charging extra. The only thing I do is press out the wearing apparel and put things away. No more home washdays for me! I save money by going out on washday!"

PUNTS and PASSES

(By The Associated Press.)
 Haver, N. H.—If Dartmouth's early formation works against Saturday the Indians can be sure to have a good football game before the season ends. In the past few weeks there has been a change in many of the players. The latest is a transfer to Bill Clark, star punter, displaced only yesterday.

Yale—There wasn't a Cornell Tech football player left in the game after the Tartans left to meet the Cornell team at South Road Saturday. The Cornell team was the only one of choosing a squad for the game. Coach Bob Waddell merely took all of the 22 available varsity players.

New Brunswick, N. J.—Holy Cross have brought a lot of headgear for the Rutgers varsity this year but it may be just the way the alphas look on the scrum. The reserves scored on the regulars yesterday. Paul was responsible for two touchdowns, running 30 yards for one and passing to Palmer for another.

Tampa, Fla.—If history repeats itself, there may be plenty of thrills in the Florida-North Carolina state game here Saturday. Herbert Meyer, halfback, ran 185 yards for a touchdown in the Seawane game on same afternoon Ray Rex of State scored a Clemson pass and dash-191 yards.

Worcester, Mass.—The Holy Cross may have a better shot at it if they play the game with Rutgers. The game was postponed for a week because of the weather. The game was held on a wet, slippery field.

Princeton, N. J.—Princeton is looking for a few good reserve backs and they ought to find a couple in the game that worked out yesterday. In the regular game there were some Kadlec, Parnell, Deane, Knell, Wardland, Haines, Craig, Wardell, Weston and Coggeshall, eleven in all.

University, Va.—Virginia's football players have an idea if they can't get V. M. I. this week, they will have a successful season. The game was postponed for a week because of the weather. The game was held on a wet, slippery field.

"Miss Tydol" Thrills

Many at the Airport

"Miss Tydol" stopping at the Kingston Airport Thursday on her good will flight for the Tide Water Oil Company thrilled a crowd of several hundred who were amazed at the many stunts possible for an autogiro and at the courage of Mayor Eugene H. Carey who took his first airplane ride in the "windmill of the air."

The mayor made the first trip of the afternoon with Pilot Earle S. Eckel. It was the first time that the head of the city had ever ridden in an airplane. As soon as "Miss Tydol" had gained several feet altitude, an announcer informed the crowd that the mayor would make a parachute jump. Everyone watched intently for him to leap from the plane, and sure enough when the autogiro reached a point directly over the airport an object dropped from the plane.

"It's the mayor—There he is now!" cried the announcer as a parachute opened and descended to the field. A number ran to see how the mayor had enjoyed his drop, but were astonished to find that it was not the first citizen that dangled at the ends of the parachute cords on its trip to earth but a dummy.

After the chute had landed, Pilot Eckel safely took Mayor Carey to the field in the plane were taken and he spoke words of appreciation over an amplified broadcasting unit concerning the ride as the guest of the Tide Water Company.

Following the mayor's flight a number of other prominent citizens were taken aloft in "Miss Tydol" and a series of stunts were done for the amusement of spectators at the airport.

Suggests Cooperation Of City and the Farm

The advantages of cooperation between the city and the farm was the topic discussed before members of the Kiwanis Club at the Governor Clinton Hotel Thursday night by William K. Kraft, chairman of the Democratic County Committee.

Guests at the meeting were H. K. Kraft of Kingston and Thomas C. Kraft of Clinton. Mr. Kraft was elected to membership in the club. He is interested in the automobile business.

Mr. Kraft, who was introduced to the club by Dr. Raymond S. Crisp, chairman of the program committee, a well known member of the Democratic party whose father had also been active in local politics, opened his remarks by saying that "There is a great need to encourage American youth."

He spoke of the work of the Grange and 4-H Clubs, both of which are working to help the farm boys and girls to handle their jobs and to make them more interesting.

It was Mr. Kraft's suggestion that the city of Kingston cooperate by developing a new type of county fair, where the usual midway with its gambling devices and barker would be eliminated, and where the main feature would be the display of farm produce and work of farm boys and girls. He foresaw that such a fair would not at first be successful, but hoped that with an increased interest and the support of city folk the fair would become a project that would greatly interest farm youth.

Mr. Kraft thought the farmer was overtaxed and that his return on his produce was so low that it was unattractive to work the farm, which he said was undesirable because farm youths would be leaving their homes to seek employment in the city and thus create a bad situation.

It was Mr. Kraft's contention that cooperation and support of the farm by the city dweller would make the farm more attractive and in the future keep farm boys and girls on the farm.

President Brandorff thanked the speaker and the club adjourned after singing several songs, led by Paul Jones, accompanied at the piano by Walter Kidd.

SOUTH RONDOUT.

South Rondout, Oct. 21.—Liberty Hyde and daughter, Mrs. Fred Fox, and Mrs. Julia Matus, went to New York city by the Dayline boat last Saturday to visit Mr. and Mrs. Joseph Wilson. Mr. Wilson is very ill at his home. Mr. Hyde and Mrs. Fox returned home Sunday, but Mrs. Matus is spending the week there.

Dr. George Rose of Port Jervis will be at the Connelly school on Monday morning at 9 o'clock to inoculate the pupils against diphtheria.

Officer and Mrs. Leonard of Hudson street, Kingston, are receiving congratulations for the arrival of a son this week. Mrs. Leonard was formerly Kate Bigler of this village. Those who have not yet registered may do so Saturday, October 22, in the engine house.

There was no school Thursday and Friday as Miss Van Steenburg and Miss Norton are attending teachers' conference in Albany.

Prayer service will be held in the M. E. Church this evening, the Rev. W. E. Gebhard in charge.

Weather permitting, a number of the Junior League and friends will enjoy another hike in company with the Rev. Mr. Gebhard today.

Services in the M. E. Church for Sunday will be Sunday school 9:30 a. m. Morning worship 10:45. Evening service at 7:30, with the pastor, the Rev. W. E. Gebhard, in charge of all services.

Will Speak to Men's Club.

Assistant District Attorney J. Edward Conway, Republican candidate for Member of Assembly, will speak this evening at 8 o'clock before the Men's Club of the First Dutch Church. Visitors will be welcomed and refreshments will be served.

ously debated and business is now turning upward. The momentum is necessarily slow at first but within three months with the impetus the automobile industry is sure to provide, starting with the January show, we will quickly leave depression behind and all be singing "Happy Days are Here Again."

"Does anyone believe that the then chairman was about to buy into stock if he believed that the depression was only starting?"

"But Governor Roosevelt and his lieutenants say that President Hoover should, in the fall of 1930, have been taking steps to stop the depression when he should have known was just starting."

"Mr. Raskob didn't know."

"The fall force of the world tornado had not yet reached our shores."

"Gov. Alfred E. Smith, Democratic nominee for the presidency in 1928, two days later said in a radio talk:

"At Providence, in Rhode Island (Oct. 27) I spoke about the present business depression and condition of unemployment prevailing throughout the nation. I distinctly do not, nor do I believe that any leader of the Democratic party, takes the position of placing upon the Republican party, the blame for the business depression and consequent unemployment."

"The Democratic leaders of 1932 are taking issue with their old standard bearer and shouting 'Hoover's to Blame!'"

"Governor Roosevelt himself, at the Democratic victory dinner on January 14 of this year, felt that democracy could not tolerate abuse against the President. Here are his words:

"We shall never be made the object of the accusation that we have dealt our opponents a blow below the belt. I refer especially to many men and women in the United States, members of both great parties, men and women, using the vehicles of conversation, of books, of magazines and the daily press, who have forgotten their sense of fair play and at the same time the fact that their victim of the moment is the President of the United States. That they do this is 'let' or without thought is not good enough. I deplore the tendency to blame all our present troubles on the President."

"The truth then is the truth now."

Meeting Next Thursday.

President George Moore announced that the next regular meeting of the Republican Club next Thursday would be held at the Y. M. C. Auditorium, formerly the Ritz Theatre, Pine Street avenue. Speaker Joseph E. Hanley of Wrentham county, a forcible speaker, will be the guest orator. Everyone, men and women, is invited to attend.

At the conclusion of Mr. Hanley's program of speeches, interpreted by songs led by Alderman Paul Zucca, and accompanied on the piano by Harry Malenheider, several other exhibitions were enjoyed by the men, Fred Williams and Tommy Sackler appeared in one; Billy Buck-

man and Kid Brady in the other. Charlie Fisher, former National Guard boxer, was the referee. Joseph Mitchell of the customs department of the U. S., spending a 30 days furlough in Kingston, was the timekeeper.

D. A. R. PILGRIMAGE TO FORTY-THREE GRAVE

On Sunday afternoon, October 16, Chapter Day of Wiltwyck Chapter, Daughters of the American Revolution, and also the anniversary of the burning of Kingston by the British in 1777, members of Wiltwyck Chapter made a pilgrimage to the grave of Miss Mary Isabella Forsyth, the founder and first regent of the chapter.

The Chapter Regent, Mrs. C. Newton Wood, addressed those assembled as follows:

Dear Daughters of the American Revolution and friends:

We are gathered here today to do reverence to the memory of one who held inviolate the high ideals of our society, who left a rich legacy of lofty purposes, and whose memory will run like golden thread through the web of the achievements of the Society of Daughters of the American Revolution.

We now place this official lay marker of the society on the grave of Miss Mary Isabella Forsyth, its first regent, and who also served as vice-president general of the National Society, D. A. R. from New York state.

It seems very fitting that on this Chapter Day, October 16, we should read these verses written by Miss Forsyth—"A Patriotic Charge—"

"When annual October brings its glowing, gladdening days,

When town and hillside seem aflame,

Bright, hued, mid-day, tender, here,

One watching ere the mid nineteenth,

Expectant through the night,

In Kingston churchyard may behold a weird, mysterious sight:

Dim forms of earlier times, seen there a shadowy, ghostly throng,

Too rarely do their names appear in history or song,

A common impulse bringing all, the mistress and the slave,

The dead from ancient battlefields, fair maidens' statues grave.

Who bore so gallantly their part the simple as the great.

It is our duty to make the state, we hear it not with courage, can it invite with silence through,

Remember this has cost us dear its future rests with you."

—Miss Isabella Forsyth

The Chapter Chapter, Mrs. J. Newton Lawrence read from the seventh chapter of Revelation, and offered prayer, followed by the recitation of the Lord's Prayer in unison. Mrs. Lawrence, founder of the American Legion, founded "Harp", thus bringing to a close the very stately and impressive service.

Taxpayers League Made Resolutions

Saugerties Taxpayers' Economic League
Saugerties, N. Y.
October 21, 1932.

Kingston Daily Freeman
Kingston, N. Y.
Gentlemen:

In your paper of the 15th inst. an article appeared under the heading: "Asbury Grange Makes 5 Resolutions."

This heading is in error. It should have read "Saugerties Taxpayers' Economic League at Asbury Grange." I am not blaming your paper for the error. I am assuming all responsibility and wish to make apologies to the Grange through your column.

The item that a committee be appointed to investigate 4-H Club was adopted by the League and not the Grange. I realize that no Grange would ever ask for an investigation of the 4-H Club due to the fact that all Granges are interested in the welfare of the 4-H Club. I cannot say too much in the way of an apology to the Asbury Grange. Would you be so kind as to insert this letter in your paper for the purpose of exonerating the Asbury Grange from any and all responsibility of the taxpayers meeting of October 14th, 1932.

Thanking you very kindly, I am

Respectfully yours,

GEORGE J. MURRAY.

YOUNG PEOPLE PLAN

DEMOCRATIC CLUB.

The Young People's Democratic Club was organized in the headquarters, 472 Broadway on Thursday evening, when more than 100 voters assembled. All were interested and very enthusiastic. Many of the young men present had already registered in polling places.

The meeting was addressed by Thomas J. Comerford, who dwelt on the difference in the two major parties and on the politics of each. Mr. Comerford stressed the importance of the upbuilding of character. He said the young men and women of today, arriving at the age of voting should aim to be always of good standing and to merit the respect of their fellow.

Mark Sampson, representative of the board of elections, was introduced and explained the election law as it applied to New voters.

Another meeting of the club will be held on Wednesday evening of next week.

Officers of the club were elected as follows: President, Walter Jones; Vice-President, Charles Murphy; Secretary, George J. Murray; Treasurer, Edward O'Reilly; Sergeant-at-Arms, Joseph Abadian.

Col. W. T. Donovan Gains Strength Here

(Continued from Page One)

strengthening of the attack against the fear in which he was held and he made some reference to the Colonel's speech Wednesday night, in which the latter replied to some of the charges that had been made and in which he showed traces of the fighting spirit that animated the "Bill Donovan." The speaker predicted that Colonel Donovan would prove to be another Theodore Roosevelt. He said that since the latter's death he had prayed for someone to come in and fill his shoes. In Colonel Donovan he had found that man. He added that the only criticism that had been made of him was that he did his duty too well.

The hearty applause that greeted Mr. Edwards' speech showed that his hearers were in full accord with his sentiments and meant to answer his appeal to "go out and tell the true story of Bill Donovan."

A Lovable Character.

Arthur Brundage of Newburgh, chairman of the 9th district of the Independent Veterans Committee, heartily seconded the views expressed by the preceding speaker. He had not had the intimate acquaintance with Colonel Donovan that Mr. Edwards enjoyed, but had found him a most lovable character and thought that "Mild Bill" would be a much more appropriate title for him. He added, however, that he looked like a man that could be "worked up to fight." He expressed his delight at the fact that they had "something to fight for" this year and urged his hearers to go out and "spread the gospel of Bill Donovan."

John Zimmerman of Newburgh proved to be one of the particularly interesting speakers of the evening, in that he served under Colonel Donovan as a member of the 165th. He told a number of incidents with which he was familiar, showing Colonel Donovan's bravery. On one occasion, after the column had been shot, he remained on the field for six hours and continued to command his men. At St. Mihiel he saw him standing on the top of the parapet, watch in hand and heard him say that there was one minute yet before they went over—and then was the first man to go over the top. Another story told how Colonel Donovan personally took a detail of some 15 men and went out to bring in five or six hundred German prisoners.

Would Die For Donovan.

Mr. Zimmerman did not qualify his statements as to his affection for his old colonel. Said he, "I grew to love the man. I would die for him. He led me in the most trying times of my life." The speaker added that it "riled him" to hear some of the rumors that are being circulated by people who do not know Colonel Donovan and closed with the remark that "it will be a real pleasure after January first to go to Albany and see a real, honest to goodness fellow, just like ourselves."

Commenting on Mr. Zimmerman's talk, Chairman Heilmann said, "That is a sample of what all men think of Bill Donovan. When man has the respect, admiration and adoration of his men like that there must be something to him."

Judge Isaac Silverman of Monticello, chairman of the independent committee in Sullivan county, was presented as the witty speaker of the evening and lived up to his reputation, telling a number of stories that made the boys laugh heartily. The Judge had been introduced with the remark by Chairman Heilmann, "If he's for Donovan we all ought to be," and he did it very evident during the course of his remarks that he was for Donovan without reserve. He urged his hearers not to underestimate the strength of the opposition, however, and told them that they must go out and "sell him to the public." The speaker had found that the women were greatly interested in Colonel Donovan's candidacy and suggested that work done with that part of the electorate might be well worth while. He spoke, as had other speakers during the evening, of the untrue stories that were being spread around in an attempt to injure Colonel Donovan's chances, a "whispering campaign" that was the hardest and meanest of all oppositions to combat and one that was being used extensively.

Untrue Stories

Judge Silverman's closing remarks furnished the topic for a brief discussion by the chairman of some of the things that were being said against Colonel Donovan and he showed that the stories were being "made out of whole cloth." Especial reference was made to the story that the Colonel was not appointed attorney general four years ago and the speaker brought out facts that proved the story to be entirely without foundation. He observed that it "is an outrage that we select men for public office on such pious considerations."

The last speaker of the evening was Milo C. Moorman, chairman of the Greene county committee, who gave the real "pop" talk of the evening. He found in the opportunity to work for the election of Colonel Donovan "a wonderful opportunity, a chance to be real crusaders." He urged his comrades to go out and make a drive for the man who so clearly stood out among the public men of the state. Said the speaker: "The country has been crying for a man of the Teddy Roosevelt type. The state of New York has found that man in Colonel Donovan. Now is the time to rise above petty things and work for a real man—a man that he-men are glad and willing to follow." As a further proof of the devotion which Colonel Donovan inspired in the men under his command, Mr. Moorman referred to a statement made by one of the most prominent men in Greene county, a

Democrat, who had served under the Colonel. Said he, "I would take my first arm, any time, for Bill Donovan."

After a rising vote of thanks had been extended to the distinguished speaker of the evening the meeting was thrown open for a general discussion of war and means and officers were elected.

The new chairman of the Ulster county committee, Lester DuBois of New Paltz, was unanimously elected. John Osterhoudt of Kingston, who will have charge of the Donovan headquarters in the Governor Clinton Hotel, was elected secretary. There were several nominations for treasurer, but all declined in favor of a proposition to have the chairman act also as treasurer.

Local Committees.

Organization of the Independent Veterans Committee in Ulster county is well under way and announcement was made of the selection of local committee members and chairmen in most of the communities. The general chairman stated that all veterans were invited to register at their local committee headquarters and become members of the committee in their district.

The following have already been named to serve on local "Win-with-Donovan" committees:
Kingston—Lester C. Elmendorf, George Schick, John J. Schwank, Malcolm M. McMillen, Edward J. Hillis, Robert C. Iseman, John R. McElhan, Percy S. Jones, Dr. Frederick Snyder, Albert Vogel, Walter J. Lukasewski, James Doyle, John J. Osterhoudt, Fred Zoller, Ernest Heppner.

Local Dealers at Oil Burner Show

Representatives of the Arthur J. Harder Company, local dealers for the new General Electric oil-burning furnace and other G-E air conditioning products, returned to Kingston today from Schenectady where yesterday was spent on a tour of the General Electric factory and a general sales conference. The local company was represented by Arthur J. Harder, Thomas Brohan, W. H. Trumbauer, and R. J. Harder.

In addition to seeing the manufacture and assembly of the new furnaces, the humidor and the new air conditioner, the delegation, which included all dealers and their representatives handling these products in New York state, were shown the laboratory experiment by which a single drop of oil, no bigger than the head of a match, was broken down into more than 100 million parts. It was this experiment which led to the development of the new principle of impact expansion atomization of oil, a feature of the furnace.

After luncheon at the General Electric restaurant, the delegation assembled for their sales conference, listening to addresses by O. J. Opel, merchandising manager, and Walter A. Bowe, advertising manager, who not only told of the wide acceptance of the furnace by the public this fall but of plans for next season. The meeting came to a close last night with a banquet.

VIENNA JEWS ARM AGAINST THE HITLERITES IN VIENNA

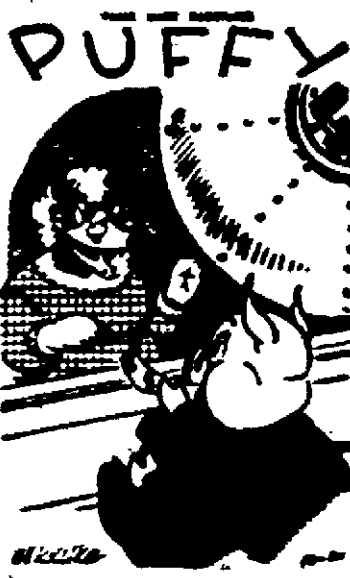

Vienna (P)—Tired of being targets for Nazi attacks, the Jews of Vienna have formed a defense corps, composed of ex-soldiers who saw actual service at the front in the World War.

At their first demonstration, thousands of Jewish veterans appeared and it was the first public meeting of Jews which the Austrian Hitlerites did not attempt to disturb.

The formation of this defense corps adds, however, to the list of semi-military organizations in Austria. Socialists, centrists and fascists all have armed henchmen trained by former officers of the old Austrian army.

Sweden Discovers Gold

Stockholm (P)—A new gold strike has been made near Lockne, province of Jamtland, magnetic detection revealing three or four, one about 800 feet long. Traces of copper also were found.

"Lady, how much for a bathysphere? What?"

"That's good—for a dollar is all that I've got."

Puff hands her cash and he gets the big sphere (But not without testing its levers and gear.)

Guests at Opening Of Women's Market

The fall season of the Rural Women's Market at Milton was opened last Saturday with a tea and exhibit, at which officers and leaders in the State Federation of Home Bureaus were guests of honor. The market, the first of its kind in the state, is a state affair, conducted by Milton women under the auspices of the State Federation of Home Bureaus, and with the handwork of women all over New York state included in its wares. Guests at Saturday's opening were Mrs. Martha Eddy of Saratoga Springs, president of the Federation; Miss Lillian Shabin of Cornell University; Mrs. Thomas A. Bolton of Ballston Spa, state marketing chairman; Mrs. Hoopes of Rome, Federation secretary; Mrs. Edward Young of Milton and Miss Elizabeth McDonald of Delhi former Federation presidents; Mrs. Harold Dennison of the Saratoga County Welfare Commission; Miss Mary Dero of Gardiner, Ulster County Home Bureau chairman; Miss Evelyn Nance of Kingston, County Home Bureau agent; and Miss Marjorie Eddy, other guests were entertained at luncheon before the tea by Mrs. Young.

A great many local and county people attended the opening and saw with interest the many beautiful articles on display. There was also a brisk sale of these.

The market is conducted at the old colonial Hallock Homestead on the Willow Tree Road. Those in charge are Mrs. Gifford Hallock, Mrs. Adelaide Hallock Wilkie, and Mrs. Herbert Bell.

Papua Has New Stamps Canberra (P)—Papua, Australia's tropical dependency, has put out a new issue of stamps to replace the "trading canoe" design in use for 30 years. The new issue has 16 designs.
